

DINGUS | ZARECOR & ASSOCIATES PLLC
Certified Public Accountants

Reimbursement Specialist

Dingus, Zarecor & Associates PLLC (DZA) is a high-growth CPA firm that specializes in healthcare. DZA is successful because we care about our clients and ensure the best possible strategies and solutions. Due to our expertise, our healthcare and non-profit clients span the United States from Alaska to Texas. DZA is currently seeking a reimbursement specialist who is a problem solver and works well with a team.

Responsibilities

- Preparation, review, and analysis of Medicaid and Medicare cost reports
- Assist with Medicare cost report audits, including analysis of proposed adjustments, identifying support for disputed items, and preparing for any necessary appeals
- Review and analysis of client financial data with an eye towards the optimization of reimbursement
- Assist with reimbursement analysis including, clinic analysis, state DSH reporting, nursing home analysis, and other cost-based reimbursement analysis
- Assist with wage index reviews and uncompensated care analysis
- Applying reimbursement rules and regulations to respond to questions

Qualifications

- Bachelor's Degree in Accounting required
- 2 to 5 years in healthcare accounting, including Medicaid and Medicare cost reporting and accounting
- Advanced computer and technical skills, including proficiency in Excel
- Desire to expand healthcare regulatory skills through directed research and personal initiative
- Self-starter, with an ability to follow directions and work independently to complete assignments
- Strong analytical skills...problem solver who enjoys finding the solution

DZA has a relaxed work environment, excellent compensation, and sabbatical program. If you are a positive, motivated person, with the desire to be a part of a growing team, please e-mail your cover letter and resume to lhunter@dzacpa.com.
