

DINGUS | ZARECOR & ASSOCIATES PLLC
Certified Public Accountants

Senior Accountant/Audit In-Charge

Dingus, Zarecor & Associates PLLC is a high-growth CPA firm currently seeking a senior accountant/audit in-charge. DZA is large enough to provide the challenge of diverse, high-quality clients, yet small enough to give the personal attention that will help our team achieve their potential. Our clients are healthcare and not-for-profit organizations that span the United States from Alaska to Texas. The candidate will have a Bachelor's degree in accounting and a CPA license is preferred. Three to six years of audit experience in the Healthcare, not-for-profit or uniform guidance field is preferred, but not required. DZA has a relaxed work environment, excellent compensation, and sabbatical program. This is an exempt position and your work hours will exceed 40-hours a week and can include monthly fieldwork travel. If you are a positive, motivated person with the desire to be a part of a growing team, please e-mail your cover letter, resume, and transcripts to lhunter@dzacpa.com.
